

— DELIVERING A SOLID PERFORMANCE —

The ALSIDE STEEL COLLECTION

A CLASSIC EXPRESSION OF STYLE

At Alside, our commitment to you surpasses the ordinary. For 70 years, we've provided homeowners with high-quality, innovative exterior products. Our pride in workmanship and steadfast path to perfection leads the industry. Our selection of the highest-quality raw materials, coupled with state-of-the-art design and manufacturing methods, allows you to choose siding products unsurpassed in the industry. As a result of that continuing dedication to you, we proudly offer Satinwood® Variegated from The Alside Steel Collection.

Alside®

The ALSIDE STEEL COLLECTION

SATINWOOD VARIEGATED, A PROVEN STEEL SIDING

that delivers a solid performance – season after season.

Architecturally pleasing and structurally sound, Satinwood Variegated from The Alside Steel Collection surrounds your home with strength, durability, and maintenance-free quality.

PERFORMANCE POWER

Alside's Satinwood Variegated Steel Siding is manufactured with a double 5" architectural face. This universal profile is suitable for nearly every style of home, and is a consistent performer in even the most severe climate. As a part of The Alside Steel Collection, Satinwood Variegated represents the rich tradition of steel siding construction that will not rot, flake, crack, rust or chip. Satinwood Variegated siding's heavy-duty construction hides wall imperfections, and its corrosion-resistant and non-combustible properties add to your home's protection and your peace of mind. The result is siding that meets the highest standards for material and manufacturing excellence. Satinwood Variegated Steel Siding meets exacting standards for strength, durability, and maintenance freedom.

THE STRENGTH LIES WITHIN

By choosing Alside Steel Siding, you have invested in a versatile, durable and enduring siding product for your home. Satinwood Variegated Siding's practicality and combination of features provides you with a distinctly strong siding coupled with unsurpassed performance and beauty. At Alside, we extend the possibilities – giving you product choices to match your personal taste and lifestyle.

RESISTANCE TO HURRICANE-FORCE WINDS

Independently tested to withstand harsh wind forces in excess of 160 mph.

IMPACT RESISTANT

Constructed of roll-formed 29 gauge G-90 galvanized steel for exceptional strength, hail and impact resistance.

NON-COMBUSTIBLE

Satinwood Variegated Steel Siding is a Class A, non-combustible product that meets even the most stringent building codes.

PROTECT AGAINST INSECTS

Resists damage from destructive insects such as termites.

MAINTENANCE FREEDOM

Easy upkeep – no caulking, scraping or painting required.

ENVIRONMENTALLY FRIENDLY

Eco-friendly and recyclable!

PEACE OF MIND ASSURANCE

Backed by a lifetime, transferable warranty by an industry-leading manufacturer. See printed warranty for details.

PEACE OF MIND

Satinwood Variegated Steel Siding is backed by a lifetime limited transferable warranty, including a 50 year hail warranty.* For complete warranty information, including limitations, please see the Alside Steel Siding warranty.

COLOR COORDINATED CHOICES

Satinwood Variegated Steel Siding is available in four multi-toned colors each representing the genuine look of stained cedar. A unique manufacturing process provides a non-repeating woodgrain pattern for a realistic wood-like appearance. Available in a double 5" clapboard to accentuate your home's architectural style. With your individual preferences in mind, Satinwood Variegated Steel Siding has been expertly designed to be the ultimate steel shield for your home – without the headache of continual maintenance.
